

# Nusantara Honey Export

## Premium Indonesian Honey – Export Quality

### Company Overview

Nusantara Honey Export is a registered Indonesian honey exporter dedicated to serving the international market with high-quality, natural honey sourced from across the Indonesian archipelago. We work directly with trusted beekeepers and forest harvesters in regions including Java, Sumatra, Kalimantan, and Eastern Indonesia. Every product is selected based on purity, taste profile, and export suitability.

Our mission is to bring the richness of Indonesia's natural honey to the global market through reliable supply, strict quality control, and professional export handling.

### Our Honey Products

- Trigona (Stingless Bee) Honey – rare and premium honey with high medicinal and antioxidant value
- Apis Mellifera Honey – Randu, Kaliandra, Acacia, Rambutan, Multiflora
- Wild Forest Honey (Apis Dorsata) – Kayu Putih, Kaliandra Forest, Multiflora Forest
- Monofloral and multifloral varieties
- Multiple export packaging sizes (340 g, 500 g, 1 kg)

### Minimum Order Quantity

Minimum order: 1 x 40 ft container. Mixed honey types and packaging sizes are allowed within one shipment.

### Quality & Compliance

- Halal Certified
- Laboratory Tested (COA available)
- Phytosanitary Certificate
- Certificate of Origin (COO)
- Compliant with international food export standards

Certificates are issued according to destination country requirements.
